

Virtual Cardiology and Internal Medicine Consultations Now Available

In response to Covid-19, Clinics across country are encouraged to increase the availability of Specialist consultations to increase the capacity for urgent assessments.

We are responding by adding the option of Specialist consultations by phone:

- Step 1** Referral is received and triaged.
- Step 2** Patient phone consultations available within **48 hours**.
- Step 3** Once phone consultation is complete, if patient requires an urgent in-person appointment, it will be booked promptly.
- Step 4** Staff continue to take all Public Health precautions in addition to heightened screening, disinfecting and cleaning when seeing patients for in-person consultations.

Chest pain and shortness of breath is not always a symptom of COVID-19.

- All OHIP covered.
- Available 6 days a week. Monday through Saturday.
- Simply phone based and no additional technology required.

As an essential service, KMH continues to be open for all diagnostic testing.
