A research-based
drama on living
with dementia

Performed by act2studioWORKS

In this webinar, we will present a video about personal stories of Dementia. Actors from act2studioWORKS portray real people in emotional and moving situations that will resonate with caregivers.

You will learn about:

- the experience and training of the actors performing in the video vignettes
- the process involved in the research for the play
- the goals of the play and the video vignettes

Following the video presentation, Don Baker, Manager at act2studioWORKS and Kendelle LaBella, Caregiver Project Coordinator at Alzheimer Society of Toronto, will co-host an introduction and talkback session.

Please join us for this live event as a recording will not be available.

About our presenters:

Don Baker, Don Baker is a retired business executive and Manager of Moving Scenes for act2studioWORKS, which is the performing arm of ACT II STUDIO, a theatre and creative drama program within Programs for 50+ at Ryerson University. As an actor, director, and producer, Don has coordinated travelling shows about issues affecting seniors for act2studioWORKS for the past five years.

Kendelle LaBella, Caregiver Project Coordinator, Alzheimer Society Toronto
Kendelle LaBella is a Care Coordinator at the Alzheimer Society of Toronto. In this role, she assists persons living with dementia and their care partners to navigate what can be a very convoluted and confusing healthcare system. She has over ten years of experience working with Toronto's older adult population in a variety of capacities and settings: community centre, shelter, long-term care, dementia care home, Toronto Community Housing Supportive Housing, non-profit senior agency, and adult day programs.
