

# Are you a parent/caregiver of a youth/young adult (aged 16-24) who uses cannabis?

**We would like to hear from you!**

To participate in this confidential study, you must:

- Be a parent/caregiver of a youth/young adult (aged 16-24) who regularly uses cannabis (at least once per week).
- Be willing to participate in an interview by phone or using a secure online platform for approximately one hour in length.

Participants will receive a \$30 gift card for their participation.

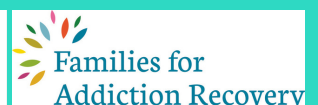

**For more information contact:**
