Loyalist Family Health Team - Aging Well at Home Initiative

Loyalist FHT appointed a Physician Lead for the Aging Well at Home Initiative, also serving on the FLA OHT AW@H Working Group. This role is pivotal in fostering a culture of inclusion for older adults, challenging ageist attitudes, and promoting the ability to age at home. By integrating comprehensive care, the initiative aims to enhance the quality of life for older patients, reducing the need for institutionalization. This achievement merits recognition for its commitment to holistic, patient-centered care and its positive impact on the well-being of the aging population.
